**Attendance**

The following members of the Board were present: Robin McFillen, vice chair, Jon Burge, Satkuna Mathur, Mary Serock

Member absent: Susan Godfrey

The following staff member was present: Christy Dunkle, Community Development Director

**Call to Order**

Vice chair McFillen called the meeting to order at 12:30 p.m.

**Approval of Agenda**

Ms. Mathur made the motion to approve the agenda, seconded by Mr. Burge, the motion passed by voice vote.

**Approval of Minutes**

Mr. Burge made the motion to approve the minutes of the April 7, 2021 meeting as presented, seconded by Ms. Serock, the motion passed by voice vote.

**Sign Review**

**Forrest Pritchard, Applicant, is requesting a Certificate of Appropriateness for signage and a mural for RSP Enterprises/Smith Meadows at the property located at 20 West Main Street, identified as Tax Map Parcel number 14A5-((A))-1 zoned C General Commercial.**

Vice chair McFillen described the request. There was a discussion about ownership of the building with Ms. Dunkle informing board members that Ms. Polo had purchased the building. There was a discussion about the awning concerning the height above the pavement and steps and assurance that those entering the building could do so easily.

There being no further discussion, Ms. Serock made the motion to approve the sign as presented, seconded by Ms. Mathur, the motion passed by voice vote.

**Other**

Ms. Dunkle said she had received a submission prior to the meeting from Downtown Berryville, Incorporated requesting a Certificate of Appropriateness for two banners to be hung in downtown Berryville advertising the Music in the Park event held in Rose Hill Park on Friday evenings. Ms. Dunkle said she had made some suggestions to the organization about information to include on the banners to

simplify the message. There was a discussion about Mr. Johnston continuing to organize the event and getting approval from the property owners prior to the installation of the banners.

There being no further discussion, Mr. Burge made the motion to approve the banner layout, seconded by Ms. Mathur, the motion passed by voice vote.

Vice chair McFillen asked about the timeframe for fixing the brick wall around the County courthouse grounds. She said pieces of brick are found in the Grace Episcopal Church parking lot and they are concerned that vandalism may occur to the stained-glass windows with pieces of the wall. Ms. Dunkle said she would forward her concerns to County Administrator Chris Boies.

Ms. Serock voiced concern about lack of approvals received from a property owner on South Church Street where they have installed a fence, railings, and a sign. She suggested that the property owner should be contacted to confirm their knowledge of being located within the local historic district. Ms. Dunkle said she would follow up with the property owner.

There were no additional items.

### **Adjourn**

There being no further discussion, Mr. Burge made the motion to adjourn the meeting, seconded by Ms. Serock, the motion passed by voice vote and the meeting was adjourned at 12:46 p.m.

**Keith Wagner, Talley Sign Company, is requesting a Certificate of Appropriateness for an updated sign package for F&M Bank Winchester located at 23 North Church Street, identified as Tax Map Parcel number 14A2-((A))-62, zoned C General Commercial.**

BB&T Bank is changing its name to Truist and will be modifying their signage accordingly. Specifications for each sign are identified in the attached document. Directional signage, including "Do Not Enter" and parking signs, will be installed on the site.

*Entrance Sign (Academy Street):* BB&T currently has a 3'x1.6' sign on a utility pole that identifies the drive-through entrance. A non-illuminated Truist sign will be installed in its place.

*Wall Sign:* BB&T currently has channel lettering on the brick façade facing North Church Street. The Truist sign will replace it in the same location. The existing sign is not illuminated however the new sign will incorporate internal LED lighting.

*ATM Signage:* A new awning will replace the existing one that is located above the ATM. Old signage will be replaced by the new branding as shown on page 27.
