Refuse and Recycling

Weekly residential curbside refuse and recyclables collection occurs on the following schedule:

- East of Buckmarsh Street (Route 340) - Thursday
- West of Buckmarsh Street (Route 340) - Friday

The Town has contracted with a private hauler to provide this service. One trash cart and one recycling cart are provided at no charge. The carts are the property of the hauler and must remain with the residence. Trash and recycling containers should be placed on the curb by 7:00 a.m. on collection day. To minimize litter, all trash must be disposed of in plastic bags and placed in the provided cart with the lid securely in place. In the unusual event your trash was placed at the curb by 7:00 a.m. but is missed for some reason, please contact the Town Business Office by 1:00 p.m. on collection day (540-955-1099). On certain holidays curbside collection will be delayed by one day. The Town's website will have News Flash updates to identify the specific holiday(s) that will affect the collection schedule.

Bulk and Appliance Collection

To schedule a collection, please call Republic Services directly at 1.800.234.2104 before 3:00 p.m. on the Monday prior to a Wednesday collection and provide the following information: address of property at which collection is to occur, number and type of bulk items to be collected, and payment method (credit card). Republic Services, the Town's refuse collection contractor, will collect appliances and bulk items such as mattresses, box springs, furniture, and other objects that will not fit into the provided refuse toter. The cost of such appliance and bulk collections must be paid by the resident. The appliance collection fee is \$50.00 per item. The bulk collection fee is \$30.00 per item. These fees are subject to change. Such collections are scheduled for Wednesdays, but may be delayed by inclement weather or mechanical breakdown. Residents may also take bulk items to the Frederick County Landfill. Information concerning materials that are accepted at the landfill can be obtained at 540.665.5658 and <https://www.fcva.us/departments/public-works/landfill-and-solid-waste>.

Yard Waste Collection

The Town collects yard waste each Monday, weather permitting. Loose yard waste must be contained in paper yard waste bags and may not exceed fifty pounds in weight. Brush must be tied into compact bundles that can be handled by one collector. No such bundle shall exceed four (4) feet in length, twelve (12) inches in diameter and fifty (50) pounds in weight. No single collection may exceed one hundred pounds of waste. Do not block sidewalks or storm drains. Neither the Town nor its contractors will collect grass clippings or ashes. Yard waste must be placed out for collection no earlier than the Saturday prior to the collection day and no later than 7:00 a.m. on collection day.

Berryville is a wonderful community. By long tradition, and as designated in the Berryville Area Plan, the Town serves as the center of commercial, residential, institutional, and industrial activity for Clarke County. Both the Town and County are committed to preserving and enhancing Berryville’s historic downtown and maintaining Clarke County’s exquisite countryside. Preservation of our community’s charming character and natural beauty has required extraordinary effort and a high level of cooperation between the Town and County. The Berryville Town Council encourages all citizens to join in these preservation efforts, which will ensure that our community remains a great place to live, work, and play.

Real Estate / Personal Property Taxes

In the Commonwealth of Virginia, citizens of Towns are also citizens of the surrounding County. Accordingly, Town residents pay real estate and personal property taxes to both the Town and the County. The Town calculates its real and personal property taxes by using assessments provided by the Clarke County Commissioner of the Revenue. Any questions about the assessed value of your property should be directed to that office, located at 101 Chalmers Court (540-955-5108). Real estate taxes for both the Town of Berryville and Clarke County are due and payable in semi-annual installments, on June 5th and December 5th of each year. Town of Berryville personal property taxes are due and payable once a year, on December 5th (Clarke County personal property taxes are billed semi-annually, due and payable on June 5th and December 5th of each year). In the event that you use a postal address that is different from your street address, it is your responsibility to verify that the Town has your proper mailing address. If your real estate tax bills are directed to a third-party payee in connection with your mortgage, in order to ensure timely receipt and payment of tax bills it is recommended that you confirm that the third-party payee has requested your bill from the Town.
